#### **Description of the job shadow:**

**Aim:** How to organize National Youth work seminar "TUHTI 2015"+ Youth work in Youth Centre Marttinen

**Date:** 27.9.-1.10.2015

**Venue:** Youth Centre Marttinen

Job Shadow includes organization work for Tuhti 2015 seminar and after seminar we will present the youth work of Youth Centre Marttinen [www.marttinen.fi](http://www.marttinen.fi).

Tuhti 2015 seminar is done through the Finnish language so this would be very interesting for participants who know some Finnish language. However, the job shadow language will be English so it is not obligatory.

13th Tuhti seminar will be 28-29.9.2015 in Youth Centre Marttinen, Virrat, Finland.

The profile of this seminar is aiming for Education of Youth work with the theme:

Expertise in the field of youth encounters. The seminar is designed for Government employees, teachers, rechargers, students and everybody who is working on the field quality issues of Youth Work. The purpose of Tuhti-seminars is to increase cooperation between youth workers, researchers, teachers and authorities, as well as to stimulate debate and exchange of experiences between the various actors in the field of youth work. The seminar is organized in cooperation with various partners (University of Tampere, Finnish Youth Research Network, etc.).

Youth work in Youth Centre Marttinen:

Our main task is to support young people`s growth and development (0-29 year olds).

Through pedagogical skills and operational methods young people get useful experience individually and in groups. Our work is aiming to give unique experiences using methods of cooperation, common spirit and problem solving in our programs.

Marttinen is a welcoming and safe environment for a variety of camps, courses, trainings and other events throughout the year. Our staff will be happy to assist events arrangements. It offers supervised activities as:

-Social youth work

-Family camps

-Youth camps

- Youth employment workshop

- Confirmation camps

- International youth work"

**What can be learned in this job shadow?**

How to organize National Youth work seminar "TUHTI 2015"+ Youth work in Youth Centre Marttinen.

## BOOST YOUR POSSIBILITIES – YOUTH CENTRES FOR YOUTH MOBILITY AND INTERCULTURAL LEARNING

### Job shadow

**Place:** Villa Elba, Kokkola, Finland

**Time:** 9.12.2015 – 9.2.2016

**Closest airport to travel in:** Kokkola-Pietarsaari

**Website:** <http://www.villaelba.fi/>

**How to apply:** <https://goo.gl/tWfpgT>

#### **Description of the job shadow:**

**Aim:** Presentation of Global education, International clubs, EVS coordination in local, regional and national level.

Youth Centre Villa Elba has a Global Education development project. The idea of the project has been to offer to young people and children a learning environment for Global education, where learning happens through doing and experience. Positive experience will give young people and children knowledge and tools which they can value in their future. Global Education has a base in Youth Centres with many years experience of youth work and adventure pedagogy. This project aims to develop global education work in Finnish youth centres and we are willing to see them as development centres for youth work which would support other educators in global education. This will happen through Youth Centre specializations.

Part of the Global Education includes the INTERNATIONAL CLUB activity. We have a training manual for Leaders to run International Club activities in school, youth club etc..

Coordination of European Voluntary Service volunteers project in local, regional and national level.

Youth Centre Villa Elba receives, sends and coordinates Erasmus+ Youth in Action projects

As the coordinating organization, our missions include management of the projects and selecting volunteers with receiving organizations. Local receiving organizations take care of receiving the volunteers and the practical tasks associated with it. Villa Elba also operates as a host organization for the volunteers. At Villa Elba the volunteer works with other staff at the Youth Centre.

Coordination of EVS projects in Youth Centre Villa Elba offers a possibility for young people and children to meet people in every day life from other cultures.

**What can be learned in this job shadow?**

An understanding of youth centre's work on themes of Global education, running the international club activities as well as coordination of European Voluntary service.

**Anything else:**

Participants: over 18 years old. 1 or 2 participants
