

Call for a volunteer

Tampere youth services, Finland
(6 months starting from October 2018)

Tampere is the third largest city in Finland. Currently there are roughly 240000 inhabitants in Tampere, and close to half million inhabitants in Tampere region, which comprises Tampere and its neighboring municipalities. We have excellent public transport here in Tampere. Buses travel almost everywhere regardless of the time of the day. We also have great sports opportunities in different sports, for example gym, swimming or football. Tampere is a black sausage town, it is something that everybody needs to taste!

The goal for youth services is to give positive preconditions for the young people civil activities and developing their intellectual growth and abilities. Main target group of youth services is youngsters from 13 to 17 years old. We offer services for children from 9 to 12 years also. We have 11 youth houses in Tampere, where young people can come and go as they wish during the opening hours. In every youth houses there is youth workers with whom the youngsters can talk, play and just hang around in a safe environment.

Volunteering tasks: Weekly youth house activities, planning and executing theme days, different events and camps, cultural youth work, school cooperation and of course own project ideas and developing your skills.

The job is going to be quite a lot of working at evenings and some weekends. If you are motivated and you get along with youngsters, you may be the person we looking for. Starting day can be negotiated.

If you're interested, please send us your motivation letter with the titel "EVS TAMPERE" and CV to: kv@marttinen.fi and ask for more information.
